STANDING COMMITTEE MEMBERSHIP

WHAT TO DO:

- To ensure that synergies are developed between the committees in the groups of clusters
- To ensure that the Regulations developed by each cluster is regularly reviewed and kept up-to-date
- To assist in developing the broad agenda for the groups of clusters

- To advise the committee cluster chairpersons on key policy matters / organisational strategy
- To share international trends with the committee clusters (FIFA, CAF, COSAFA, Int'l Best Practice)
- To monitor the performance of the committee clusters in terms of Vision 2022 targets
- Advise the President on matters related to the groups of clusters he/she is monitoring
- To ensure seamless interaction between the clusters and the operational divisions in the Administration
- Ensure that committee members / chairpersons are properly developed for their roles (serve as mentors to committee chairpersons)
